

# SHORT RIBS

a WHOLEFOODS CHRONICLE

WORKING THE MEAT THERMOMETER ON THE 'OLE STEAMTABLE I SEE ...

WHAT IN THE HECK IS THAT?!

UH, EXCUSE ME, THERE IS A SHORT RIB IN THERE THAT IS GROSSLY UNDERCOOKED - VIRTUALLY RAW!

NO IT'S NOT I TESTED IT.

WELL, YOU BETTER TEST IT AGAIN.

I'LL CHECK WITH THE SECTION MANAGER.

SHORT RIBS NEED TO BE FALLING OFF THE BONE TO BE PALATABLE.

UNLESS, YOU GET THEM FLANKEN CUT FOR KOREAN BBQ.

BUT THAT PIECE WAS STILL MARBELIZED!

THE MANAGER SAYS THAT THE PIECE IS COOKED.

?!

can you friggin' believe that?

You should have bought the piece, eaten it, gotten sick - and sued.
